

## Using instruction:

To extend the longevity of product, please read this instruction carefully before use:

Solution to small issues:

Malfunction	Reason	Solution
The sofa is not stable after placement	Four feet not evenly landed	Flatten the bottom of the sofa with a hard material
Movable parts are flexible	The connection is loose or lack lubricating oil	Tighten the screws and add some lubricating oil
Sofa creaks	The sofa feet rubs with ground	Add leather pad beneath feet
The leather or fabric surface is loose and crumpled	Squeeze during transportation	Gently pat on the leather/fabric surface to restore the outlook

## Assembly instruction:

- Please determine the location of your furniture before assembly to avoid moving them for a large distance after being assembled.
- Do not place your furniture in dark and damp or hot and dry environment.
- Please check the number of packaging bags, view the product installation manual and verify the product structure.
- Please check the direction of each part when unpacking them before installation.
- Please install the product patiently. Make sure each part is in the right position. Furniture is easy to assemble, but it needs patience and care to make every part in place.
- Please check the stability of the furniture after installation. Shake your furniture gently to confirm whether it is level with the ground or whether the screw is tight.
- Please keep the furniture open for a period of time to release residual painting smell.

To extend the longevity of product, please read this instruction carefully before use:

Solution to small issues:

Malfunction	Reason	Solution
The sofa is not stable after placement	Four feet not evenly landed	Flatten the bottom of the sofa with a hard material
Movable parts are flexible	The connection is loose or lack lubricating oil	Tighten the screws and add some lubricating oil
Sofa creaks	The sofa feet rubs with ground	Add leather pad beneath feet
The leather or fabric surface is loose and crumpled	Squeeze during transportation	Gently pat on the leather/fabric surface to restore the outlook

## Assembly instruction:

- Please determine the location of your furniture before assembly to avoid moving them for a large distance after being assembled.
- Do not place your furniture in dark and damp or hot and dry environment.
- Please check the number of packaging bags, view the product installation manual and verify the product structure.
- Please check the direction of each part when unpacking them before installation.
- Please install the product patiently. Make sure each part is in the right position. Furniture is easy to assemble, but it needs patience and care to make every part in place.
- Please check the stability of the furniture after installation. Shake your furniture gently to confirm whether it is level with the ground or whether the screw is tight.
- Please keep the furniture open for a period of time to release residual painting smell.
